Public Auction: Simply put, is the process by which 2 or more individuals compete to purchase an item.

This is the method of attaining an items' true value.

- A person who bids the highest is at the end of the bidding declared the purchaser.
- You are All Welcome to The Auction Center(TAC) to enjoy the power and the fun of a Public Auction. Where the sellers and the buyers of the lots on Auction will be in the same space.
- To bid ,one will be required to register and upon registration a free catalogue will be availed to those who will have made a refundable deposit in the event you are not declared the Highest Bidder on any attempt at bidding.
